I. GENERAL INFORMATION

1. Reporting period for which the report is prepared

The report is prepared for 9 months of 2012 (January –September).

2. General information about the Issuer and other companies comprising the Issuer's group

2.1. Information about the Issuer

Name and legal form of the Issuer	Public company Invalda, hereinafter Invalda AB
Enterprise code	121304349
Address	Seimyniskiu str. 1A, LT-09312 Vilnius, Lithuania
Telephone	+370 5 279 0601
Fax	+370 5 279 0530
E-mail	info@invalda.lt
Website	www.invalda.lt
Date and place of registration	March 20, 1992, Register of Enterprise of Vilnius
Register, in which data about the Company are accumulated and stored	Register of Legal Entities

Invalda AB is one of the largest Lithuanian investment companies whose primary objective is to steadily increase the investor equity value. For the purpose of attainment of this objective Invalda AB actively manages its investments, exercising control or significant influence over target businesses.

Invalda AB started the activity in 1991. Its equities have been traded on the NASDAQ OMX Vilnius Exchange since 1995.

In respect of each business Invalda AB defines its performance objectives, sets up the management team, participates in the development of the business strategy and monitors its implementation. We play an active role in passing decisions on strategic and other important issues that have an effect upon the value of the group companies.

2.2. Information about other companies comprising the Issuer's group

The main sectors of Invalda AB are the following: furniture manufacturing, real estate, facility management, agriculture and information technology (IT) infrastructure.

Group's companies and their contacts are presented in Appendix 1 of this report.

10. Information on the amounts calculated by the Issuer, other assets transferred and guarantees granted to the Board members and CFO

Within nine months period of 2012 the calculated remuneration for the Board members of Invalda AB (as employees of the Company) amounted to 768.8 thousand litas that is on the average 29.7 thousand litas per month for each member.

The calculated remuneration to the President of the Company (he is the Board member as well till April 30, 2012) and CFO totalled 579.2 thousand litas, on the average 32.4 thousand litas per month for each.

During the reporting period the Issuer transferred no assets, granted no guarantees, paid no bonuses or dividends, and made no special payouts for the Company's managers and CFO.

IV. INFORMATION ABOUT THE ACTIVITY OF THE ISSUER AND ITS GROUP

11. Overview of the activity of the Issuer and its group

11.1. Significant events of the Issuer and its group events during the reporting period and after the end of it The Issuer

• In January, 2012, Invalda AB sold 29.27 percent of shares of the metal processing company Umega AB. Shares sold for the 3.7 million litas. The transaction should have a preliminary positive effect of approximately 2 million litas in the consolidated statements.

• The Company received the notification from the bondholders indicating that the bondholders decided to exercise their right to convert bonds to shares of Invalda AB. The conversion of 32.44 million litas resulted into the increase of the share capital of Invalda AB by 5.898 million litas up to 57.558 million litas.

The conversion price of new shares was 5.5 litas per share. After the conversion the bondholders had the obligation to pay back 4.788 million litas interest paid according to the conditions of the bond issue. The accrued interest as of March 30, 2012 in the amount of 2.376 million litas was not payable to the bondholders

Invalda AB issued convertible 25 million litas par value bonds on December 1, 2008. These bonds were acquired by RB finansai UAB. Another convertible 7.44 million litas par value bond issue was issued on January 30, 2010 which was sold to DIM Investment UAB. The annual interest rate for both bond issues was 9.9 percent, maturity date – July 2, 2012 (in case the bonds are not converted at earlier date). After the conversion RB finansai UAB got 7.9 percent of Invalda AB shares and DIM Investment UAB – 2.35 percent.

Invalda AB is completely debt free after the completion of the bond conversion. The Company will continue to adhere to the prudent borrowing policy.

• Invalda AB shareholders approved the results for the year 2011 and formed a reserve of 269.1 million litas for the share buy-back. Taking into consideration the passed resolutions the Board of Invalda AB decided to acquire up to 10 per cent of shares of the Company, paying for each of them 10.358 litas. The share buy-back program lasted until May 15. After the program Invalda AB acquired 10 percent of Invalda AB shares for 59.6 million litas. The amount of proposed for sale shares was higher than the amount to be acquired, therefore each selling shareholder sold 14.47 percent of shares. As own shares of the Company do not have voting rights, the shares of Invalda AB with voting rights total to 51,802,146.

• Indre Miseikyte, 41 years old, was elected to the Board by the Ordinary General Shareholders Meeting of April 30, 2012. On April 06, 2012 Dalius Kaziunas resigned from the Board and now he is the President of Invalda AB.

Miseikyte has graduated architecture studies in Vilnius Gediminas technical university. She is currently employed as an architect at Inreal Valdymas UAB, Invalda AB Group Company.

• The resolution to reduce the Company's authorized share capital till 51.8 million litas (€15 million) by cancelling Company's treasury shares was adopted on 24 of May in the Invalda AB Extraordinary General Shareholders' meeting. The Board of Invalda AB was authorized to organise an additional buy-back of up to 10 percent of Invalda AB shares paying for each of them from 1 € to 5 €.

• The Articles of Association were amended due to reduction of the share capital of the Company for the purpose of cancelling of the own shares on August 6, 2012. The share capital of Invalda AB was reduced from 57,557,940 litas to 51,802,146 litas by cancelling 5,755,794 ordinary registered shares at par value of 1 litas.

• The Extraordinary General Shareholders Meeting of Invalda AB was held on November 20, 2012. On the meeting approved drawing up of the terms of Invalda AB split-off and authorized the Board to prepare the terms of split-off as well as appoint necessary experts and auditors for the preparation and assessment of the said terms, and conduct other related actions.

VILNIAUS

BALDAI

The Issuer's group

Furniture manufacturing sector

In the furniture manufacturing sector Invalda AB controls Vilniaus Baldai AB. This company produces flat-pack furniture and sells almost all its production to the Swedish concern IKEA. Vilniaus Baldai AB manufactures furniture from particle board. Due to used BOF (board on frame) technology the furniture is lightweight.

There were no significant changes in Vilniaus Baldai AB activity within the third quarter of 2012. The sales decreased by 0.1 percent, to 179.1 million litas. EBITDA was 26.9 million litas, (in the corresponding period of 2011 EBITDA totaled to 28.3 million litas). After elimination of one-offs, the profit of Vilniaus Baldai AB for nine - month period amounted to 22.1 million litas, and this is 2.5 percent over the profitability (21.6 million litas) for the corresponding period of 2011.

The situation on raw materials market stabilized, however, the pressure on margins is possible as a result of increased competition between Ikea suppliers.

The Annual General Shareholders Meeting of April 27, 2012 decided to pay dividends in the amount of 38.863 million litas (10 litas per share). 28.034 million litas from this amount is allocated to Invalda AB. In 2011, 15.454 million litas, or 4 litas per share, were allocated for dividends.

Vytautas Bucas, Darius Sulnis, Dalius Kaziunas - the representatives of Invalda AB, were elected to the company's Board for a new four year term of office.

Million litas	9 months of 2010	9 months of 2011	9 months of 2012

EBITDA	29.1	28.3	26.9
Net result	21.1	20.9	19.5
Capitalisation	87.6	126.1	162.4

Table 11.1.1. Results of the furniture manufacturing sector

Real estate sector

In the real estate sector Invalda AB owns commercial rental real estate, agricultural land and development sites, as well as develops residential housing projects.

In the nine months of this year rental income increased by 8.5 percent to 13.5 million litas compared to the same period of 2011 and the property owned by clients grew by 2.4 percent to 3.87 million litas.

The real estate sector's company Inreal Valdymas UAB reached a few percent vacancy rates in the assets under their management, i.e. almost all of the properties was rented out.

The sector result – loss of 10.0 million litas was caused by revaluation of investment property, after which the value of assets decreased by 9.2 million litas. A value of agricultural land increased by 4.2 million litas, to 41.6 million litas; value of other investment assets dropped by 13.4 million litas, to 188.5 million litas.

The total growth of sector's income came from the sale of apartments in the project Elniakampio Namai for the total amount of 5.65 million litas. Overall residential property sales amounted to 6.93 million litas.

During the nine months of 2012 further investments in the agricultural land were made: land was acquired for the total amount of 2.76 million litas.

A loan of 14.7 million litas was repaid to the Lithuanian branch of Nordea Bank Finland by the real estate management company Naujoji Svara UAB in April. The company decided to recover a previously frozen project in the center of Klaipeda; the said project will be developed by Danes Gildija UAB, the newly established subsidiary of Naujoji Svara UAB. Also, a new project "Kopu Vetrunges" in Kursiu Nerija was launched.

In September, 2012 Inreal valdymas UAB will manage the new business centre Intractus at Pilaites pr. in Vilnius and the rented area reaches 2 200 sq. m.

In September, 2012 Inreal UAB won a public procurement tender that was announced by SE Turto bankas for consultation and brokerage services while selling the real estate (RE) that does not meet the needs of the state property manager. Services include the sale of ten real estate listings targeting both local and foreign investors. The benchmark of the objects is about 70 million litas.

Table 11.1.2. Results of the real estate sector

Million litas	9 months of 2010	9 months of 2011	9 months of 2012
Value of the real estate:	247.4	260.7	247.1

Companies' sales result, allowance and other non-monetary items	4.5	1.4	0.0
Result of the real estate sector	1.9	-2.2	-10.0

Facility management sector

Building maintenance sector companies are providing facility management, engineering systems oversight, audit and incidents management, indoor air quality testing, multi-apartment house management, installation, repair, cleaning and other services.

The reorganization of the facility management structure, optimization of business processes and improvement of quality of services was continued during the first half of 2012. The business management system was started to be implemented in all companies of the facility management sector and the teams were strengthened with new members. This resulted in higher costs.

Inreal Pastatų Prieziura UAB won a tender of Silale district municipality for the maintenance of apartment houses in Silale city and Kvedarna town. The company will maintain 87 buildings with total area of 91.5 thousands sq. m.

An agreement on services of replacement of electricity meters in Kaunas region was signed with the company Lesto.

The department providing cleaning services started its activity and signed the first contracts after winning the public procurement tenders for services in the Prime Minister Office as well as the Border Control Post Authority.

Table 11.1.3. Results of the facility management sector

Million litas	9 months of 2010 ⁴	9 months of 2011	9 months of 2012

⁴ The group didn't own Priemiestis UAB and Jurita UAB in 3Q of 2010

Agricultural sector

Since December, 2011, Invalda AB owns 36.9 percent of Litagra UAB shares acquired for the amount of 38.6 million litas; Litagra UAB is one of the largest groups of agriculture companies in the Baltic countries.

The companies of Litagra group are engaged in the primary crop and livestock (milk) production, grain processing and agricultural services. Group companies trade in plant protection products, fertilizers, seeds, compound feed, feed supplements, raw materials for feed production, wheat and rye flour, pet food, fish products for domesticate, veterinary products. Moreover, the companies buy grain; provide services of drying, cleaning, loading and storage of grain and other raw material. Litagra group companies provide agricultural services in Lithuania, Latvia and Estonia.

The largest companies in Litagra UAB group are the following: Litagros prekyba UAB (with a branch Litagra Latvija), Litagros grudai UAB, Litagra OÜ in Estonia, Joniskio grudai AB, Taurages grudai AB, Marijampoles grudai AB, Kedainiu grudai AB, Aristava in the Kedainiai district, Berzu agricultural company in the Kedainiai district, agricultural company of the Kalpoku land, agricultural company of the Sesupes land, Slapaberzes agricultural company, Ranktineliu agricultural company and others.

Within January-September of 2012, compared with the same period in 2011, an income grew by 11.1 percent, to 301.7 million litas; earnings before interest, taxes, depreciation and amortization (EBITDA) – grew by 65.3 percent to 31.9 million litas, net profit according to business accounting standards grew by 3.9 times, to 18 million litas.

Excellent grain harvest in Lithuania allowed improving the results of the marketing department as well as elevator. The higher harvest and profit fixed and in the agricultural companies.

Million litas	9 months of 2011	9 months of 2012
Sales	271.6	301.7
EBITDA	19.3	31.9
Net profit, according data provided by the company, on the ground of business accounting standards.	4.6	185

11.1.4. Results of the Litagra UAB group

IT sector

BAIP group is one of the most experienced specialized critical IT infrastructure companies in Lithuania.

BAIP group gained legal IT consulting expertise, and started to provide critical information systems development, architecture and applications services after the acquisition of Norwegian company Norway Registers Development AS (NRD) at the end of 2011. It also expanded its markets in Eastern African and Indochinese countries. In the first quarter of 2012, the group was involved in projects in Uganda, Tanzania, Liberia, Guatemala, Kenya and Vietnam.

BAIP UAB finished implementation of a new tool - IBM Tivoli Service Request Manager. The company implemented IT services management standard; ISO20000 certificate was issued to the company as a confirmation of it. This achievement will allow clients to perform IT operations via single service tool executing them more rapidly and efficiently.

BAIP actively developed cyber security initiatives getting in touch with new partners and establishing a new cyber security division. A successful event presenting solutions of cyber security was organized.

15

⁵ According to IFRS during nine months of 2012 net profit attributable to Invalda AB by using equity method is 7.5 million litas (the net profit is 20 million litas). The nine - months profit is higher than the one accounted by Litagra UAB according to local Business Accounting Standards. The largest differences are due different measurement of the agricultural produce at the point of harvest according to IFRS.

In order to satisfy the needs of customers, a partnership agreement was signed with acknowledged security solutions company Lumension®, the products of which have been successfully deployed in medicine, education, finance, social security and public sectors. BAIP has adapted Lumension® software for the Lithuanian legal environment in consideration of the requirements imposed by State Data Protection Inspectorate, Ministry of Interior of the Republic of Lithuania, LT ISO/IEC 27001 standard, COBIT 5 and other references as the most efficient means to ensure information security.

A special attention was paid to forensic research and for the elimination of aftermaths resulting from the attack and initiation of defensive actions by the BAIP UAB cyber defens group. For this purpose AccessData, Logicube, Paterva Maltego and Qosmio solutions was used. The said solutions were presented in two successfully organized events that attracted representatives of many major state and commercial institutions.

An agreement on supply of the Dell End-to-End Enterprise and Client Solutions to all European offices was signed with the company Western Union, the world's largest money transfer company was signed.

Printing and copying service CopyPrint concept is updated: it is proposed to integrate digital documents, electronic signature and a new concept scanning and storage of documents. Won the tender of Vilnius municipality for printing and copying services. The municipality will be replaced all copying and printing equipment by the new as a result of introduction of employee identification card system (Follow me).

An agreement with State Food and Veterinary Service on information systems development and maintenance services was signed by NRD UAB.

A project on creation of interaction of Lithuanian register of wills with network of registers of wills in Europe was implemented in the Central Mortgage Office of Lithuania.

An agreement on maintenance of Oracle software-based information system for 1 year term was signed with the National Paying Agency in August.

In addition, NRD submitted an application to the program "Process LT" of the Lithuanian Business Support Agency for the support of implementation of information security management system ISO 27001.

An agreement on consulting project regarding civil registration and demographic information in Central Bureau of Statistics of Zanzibar was successfully completed. In August of 2012 NRD UAB and Rwanda development board has signed a new consultancy services to develop the electronic mortgage registration system project implementation contract. On the 15th-17th of October Rwandan registry regulation office delegation was visiting Lithuania, where the heads of the NRD UAB presented the examples of good practices, successfully operating in Lithuania. One of them – Lithuanian Mortgage registry, created, further developed by the company NRD, and operating since the 1998.

A functionality of the information system for business registration in Vietnam was extended by additional subsystems: distribution of information product, electronic payment, electronic signature and other.

At the end of September, 2012 Norway Registers Development and the joint venture partners NRD UAB and Alna Software UAB signed a one-year one million dollar contract for the design, develop and implement tax e-filing system in four Eastern Caribbean states.

Million litas	9 months of 2010	9 months of 2011	9 months of 2012
Sales	17.3	19.3	24.0

12. The principal risks and uncertainties

During the third quarter of this year there were no material changes from the information about the principal risks and uncertainties disclosed in the latest annual report.

13. Significant investments made during the reporting period

During the reporting period Invalda AB had not major acquisitions. More details about investments are described in the section 8 of the financial statements.

14. Activity plans and forecasts

The Extraordinary General Shareholders Meeting of Invalda AB of November 20, 2012 approved drawing up of the terms of Invalda AB split-off and authorized the Board to prepare the terms of split-off as well as appoint necessary experts and auditors for the preparation and assessment of the said terms, and conduct other related actions.

Invalda AB will continue implementing the long term goal to increase shareholders' equity and value of managed assets. Moreover, Invalda AB will seek to ensure profitable work and organic development of its businesses.

Results of Invalda AB depend on sale or acquisition transactions which are not predictable. Due to this reason, the Board decided not to prepare forecatsts of the Company's activity.

15. Information on the related parties' transactions

Hermuno

Information on the related parties' transactions is disclosed in consolidated and Company's financial statements explanatory notes.
