Notes to the interim condensed financial statements

1 General information

AB Invalda (hereinafter the Company) is a joint stock company registered in the Republic of Lithuania on 20 March 1992. The address of the office is as follows:

Šeimyniškių str. 1A,
Vilnius,
Lithuania.

AB Invalda is incorporated and domiciled in Lithuania. AB Invalda is one of the major Lithuanian investment companies whose primary objective is to steadily increase investor equity value. For the purpose of achieving this objective the Company actively manages its investments, exercising control or significant influence over target businesses. The Company gives the priority to furniture manufacturing, real estate, facilities management, agriculture and IT infrastructure segments.

In respect of each business the Company defines its performance objectives, sets up the management team, participates in the development of the business strategy and monitors its implementation. AB Invalda plays an active role in making the decisions on strategic and other important issues that have an effect on the value of the Group companies.

The Company's shares are traded on the Baltic Main List of NASDAQ OMX Vilnius.

2 Basis of preparation and accounting policies

Basis of preparation

The interim condensed financial statements for the nine months ended 30 September 2012 have been prepared in accordance with IAS 34 Interim Financial Reporting.

The interim condensed financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Group's annual financial statements as at 31 December 2011.

Significant accounting policies

The accounting policies adopted in the preparation of the interim condensed financial statements are consistent with those followed in the preparation of the Group's and Company's annual financial statements for the year ended 31 December 2011, except adoption of new Standards and Interpretations as of 1 January 2012, noted below.

IFRS 7 Disclosures - Transfers of Financial Assets

The amendment requires additional disclosures in respect of risk exposures arising from transferred financial assets. The amendment includes a requirement to disclose by class of asset the nature, carrying amount and a description of the risks and rewards of financial assets that have been transferred to another party yet remain on the entity's statement of financial position. Disclosures are also required to enable a user to understand the amount of any associated liabilities, and the relationship between the financial assets and associated liabilities. Where financial assets have been derecognised but the entity is still exposed to certain risks and rewards associated with the transferred asset, additional disclosure is required to enable the effects of those risks to be understood. The amendment affects disclosure only and would have no impact on the Group's financial position or performance. The amendment has not any impact in the Group's financial statements for the nine months ended 30 September 2012.

AB INVALIDA

INTERIM CONSOLIDATED AND COMPANY'S CONDENSED FINANCIAL STATEMENTS FOR THE NINE MONTHS ENDED 30 SEPTEMBER 2012

(all amounts are in LTL thousand unless otherwise stated)

3 Seasonality of operations and other recurring discrepancies in quarters

Historically information technology segment earned a bigger revenue and operational profit in the 4th quarter. The agriculture segment earned a bigger operational profit in the 2nd and 3rd quarter. The entity, which operates in field of growing and trading of ornamental trees and shrubs, earned a bigger revenue and operational profit in the 2nd and 3rd quarter. The investment properties are revaluated on 30 September 2012 due to the preparation of the terms of the Company's split-off. Additional revaluation of investment properties is not scheduled at the end of financial year.

4 Segment information

Management monitors the operating results of its business units separately for the purpose of making decisions about resource allocations and performance assessment. Segment performance is evaluated based on net profit or loss and it is measured on the same basis as net profit or loss in the financial statements. Group financing (including finance costs and finance revenue) and income taxes are allocated between segments as they are identified on basis of separate legal entities. Consolidation adjustments and eliminations are not allocated on a segment basis. Segment assets are measured in a manner consistent with that of the financial statements. All assets are allocated between segments, because segments are identified on basis of separate legal entities.

For management purposes, the Group is organised into following operating segments based on their products and services:

Furniture production

The furniture segment includes flat-pack furniture mass production and sale.

Real estate

The real estate segment is involved in investment in real estate, real estate management and administration, intermediation in buying, selling and valuation of real estate, in the geodesic measurement of land.

Agriculture

Agricultural activities include the primary crop and livestock (milk) production, grain processing and agricultural services. The segment's companies sell plant protection products, fertilizers, seeds, compound feed, feed supplements, veterinary products, buying grain, providing grain and other raw materials drying, cleaning, handling and storage services.

Information technology infrastructure

The information technology infrastructure segment is involved in offering IT infrastructure strategy, security and maintenance solutions, supplies of all hardware and software needed for IT infrastructure solutions of any size and in the development and implementation of software for government register systems, including consultation.

Facilities management

The facilities management segment is involved in facilities management of dwelling-houses, commercial and public real estate properties, and construction management.

Other production and service segments

The other production and service segment is involved in hardware articles production (in 2011), road signs production, wood manufacturing and other activities.

Transfer prices between business segments are set on an arm's length basis in a manner similar to transactions with third parties. Segment revenue, segment expense and segment result include transfers between business segments. Those transfers are eliminated in consolidation. Capital expenditure consists of additions of property, plant and equipment, intangible assets and investment properties including assets from the acquisition of subsidiaries.

The granted loans from the Company are allocated to other production and services segment. The impairment losses for these loans are allocated to a segment to which the loans are granted initially.

INTERIM CONSOLIDATED AND COMPANY'S CONDENSED FINANCIAL STATEMENTS FOR THE NINE MONTHS ENDED 30 SEPTEMBER 2012

(all amounts are in LTL thousand unless otherwise stated)

8 Investment into subsidiaries and associates

Establishment of companies (increase of share capital)

During the nine months ended 30 September 2012 the Company and the Group has invested LTL 155 thousand to increase share capital of Invalida Lux S.a.r.l. and LTL 12,700 thousand additionally to increased share capital of UAB Naujoji Švara converting loans granted to shares. During 1st Quarter of 2012 UAB Justiniškių Valda and UAB Justiniškių Aikštelė, which owns investment property previously owned by UAB Jurita, were separated from UAB Jurita. The new separated entities are assigned to real estate segment. The Group has established two real estate investment companies by investing by cash LTL 30 thousand: UAB Laukseja (investment in the agricultural land), UAB Danės Gildija (project of apartments building in Klaipėda) and UAB Kopų Vėtrungės (project of apartments building in Nida). Also investment properties with carrying value of LTL 7,970 thousand, located in Klaipėda, were invested into share capital of UAB Danės Gildija, and investment properties with carrying value of LTL 3,990 thousand, located in Nida, were invested into share capital of UAB Kopų Vėtrungės.

During the nine months ended 30 September 2011 the Group has established these new companies: UAB Inreal GEO, Invalida Lux S.a.r.l., UAB Perspektyvi Veikla, UAB Via Solutions, UAB Minijos Valda. The total amount of these investments was LTL 279 thousand.

AB Umeqa

On 12 January 2012, the sale of 29.27% of shares of AB Umeqa according to the agreement signed on 30 November 2011 was completed. Price for the shares sold equal to LTL 3,745 thousand. The Group has earned a profit of LTL 2,037 thousand. In the Company statements, the price for the shares sold was equal to the carrying amount of the investments. In the caption "Net gains (losses) on disposal of subsidiaries, associates and joint ventures" of the Company's income statements was presented loss of LTL 298 thousand (the price of the shares was less as initial acquisition cost). Therefore, in the caption "Impairment, write-down and provisions" of the Company's income statements was presented impairment reversal of the same amount - LTL 298 thousand.

In September 2011 the Group invested LTL 1.351 thousand additionally to increased share capital of AB Umeqa converting loans granted to shares. Also in August 2011 the Group additionally acquired shares for LTL 6 thousand. As consequence the share of stock held by the Group was increased from 19.42 until 29.27 percent. The value of the additional interest acquired was LTL 1.419 thousand and in the income statements has been recognised profit of LTL 62 thousand .

Other sales and acquisitions in 2012

In April 2012 the Company has acquired 24% of shares of UAB Aikstentis (currently a dormant entity attributed to the real estate segment). Amount of LTL 2,309 thousand was attributed to the non-controlling interest, so it was reduced by this amount, and, respectively, retained earnings attributable to equity holders of the parent were increased. The reason for a large attribution was that in 2010 prospectively applying the new requirement of IAS 27 net losses equal to LTL 2,343 thousand were not attributed to the non-controlling interest of UAB Aikstentis, and due to the sale of UAB Broner (previous subsidiary of UAB Aikstentis) net profit of LTL 2,316 thousand was attributed to the non-controlling interest.

In June 2012 the loans with amount of LTL 807 thousand granted to real estate entity SIA Uran, operating in Latvia, were converted into 50 % shares of the entity. These shares were sold for LTL 52 thousand. In the profit (loss) statement a loss of 755 thousand was recognised.
